

RIVERTON MEMORIAL HOSPITAL

Riverton, Wyoming

(Population: 9,314 • Service area: 55,068)

Located at an elevation of 4,956 feet and surrounded by the Owl Creek and Wind River mountain ranges, Riverton is a progressive city that offers ample clean air, majestic scenes and world-class outdoor recreation.

THE HOSPITAL

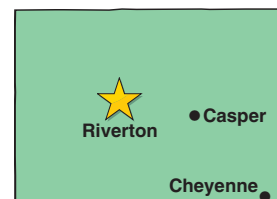

Riverton Memorial Hospital (RMH) is a 70-bed, full-service, primary/acute care facility with one of the two best-equipped radiology departments in the state. The hospital offers many services, including Outpatient Care, Mammography, Nuclear Medicine, Cardiac Rehab, Pharmacy, Respiratory and Physical Therapy and 24-hr. Ambulance Service. RMH is a teaching facility for *Central Wyoming College*, the *University of Wyoming*, *Casper College*, and *Laramie College*. Several affiliated and private clinics provide a full range of specialist and general medical services, including Orthopedics, Urology, Physical Therapy, Mental Health, General and Vascular Surgery and Internal Medicine.

THE COMMUNITY

Riverton boasts an impressive infrastructure not often seen in communities its size, including a diverse library, a beautiful city park, an excellent 18-hole golf course and a modern airport with daily flights to Denver. *Central Wyoming College* (CWC) provides some of the finest educational programs in the state, with nationally recognized courses in equine education, nursing, broadcasting, fine arts and microcomputer technology classes. The college also boasts a 1,000-seat theater, which hosts many cultural events, plays and programs. Microsoft and Cisco Systems have chosen CWC as a national certification center, and NASA has chosen CWC as an educational partner. Continuing education is available through CWC and through the University of Wyoming Extension Office in Riverton.

A high quality faculty enables Riverton's public school district to provide exceptional educational opportunities for all children, with a graduation rate of 98%. The school district has a full range of academic programs which include special education, vocational education, gifted education, physical education as well as art and music studies from kindergarten through grade 12.

Local Points of Interest
